Dear Member,

Welcome to the start of the season and let's hope it is a belter not hampered by covid rules and regulations. I want to take this opportunity to thank all bowling and tennis members who volunteer their time to ensure the club runs smoothly in terms of activities and facilities. For example:- the gardening group, committee groups and currently members insulating the lofts to help to reduce heating costs.

The increase in subscriptions reflects the rise in costs for maintaining and running our clubhouse and courts. We will in the near future have to consider the renewal of courts. Therefore, any additional fundraising ideas are more than welcome.

Practice nights

Men's/Ladies

Monday and Tuesday evenings. Men and women are welcome both evenings. So please show your support with bat in hand

Thursday evenings will be available for general play, but please check for home matches, and courts will need to be booked

Match tax – £3.00 for all matches.
